

My Health eVet VA Health Summary (CCDA)  
Data and Business Rules: September 2018

CCDA Section	Business Rule
<b>Patient &amp; Contact Information</b>	Name, Date of Birth (DOB), Gender, Address, Marital Status, Religious Affiliation, Race, Ethnicity, Language(s), Preferred Language, Next of Kin, and Emergency Contact information from the most recent site of care.
<b>Health Care Providers</b>	This section includes a list of the patient's Primary Care Provider(s) and Primary Care team members.
<b>Insurance Providers: All on record at VA</b>	This section includes the names of all active insurance providers for the patient.
<b>Advance Directives: All on record at VA</b>	This section includes a list of a patient's completed, amended, or rescinded VA Advance Directives, but an actual copy is not included.
<b>Allergies and Adverse Reactions (ADRs): All on record at VA</b>	This section includes Allergies and Adverse Reactions (ADRs) on record with VA for the patient. The data comes from all VA treatment facilities. It does not list Allergies/ADRs that were removed or entered in error. Some allergies/ADRs may also be reported in the Immunization section.
<b>Encounters: Outpatient Encounters with Notes</b>	<p>This section contains a list of completed VA Outpatient Encounters for the patient and a list of Encounter Notes for the patient. The data comes from all VA treatment facilities. Consult Notes, History &amp; Physical Notes, and Discharge Summaries are provided separately, in subsequent sections.</p> <p><b>Outpatient Encounters with Notes:</b> This section includes a list of VA Outpatient Encounters from the last 18 months and includes a maximum of the 10 most recent encounters. Follow-up visits related to the VA encounter are not included. The data comes from all VA treatment facilities.</p> <p><b>Encounter Notes:</b> The included Outpatient Encounter Notes are available 3 calendar days after completion and include a maximum of the 5 most recent notes associated to each Outpatient Encounter. The data comes from all VA treatment facilities. The Compensation and Pension exam note will be available 30 calendar days after completion.</p>
<b>Functional Status: Functional Independence Measurement (FIM)</b>	This section includes the 3 most recent Functional Independence Measurement (FIM) assessment scores from the last 3 years. The data comes from all VA treatment facilities.

CCDA Section	Business Rule
<b>Scores</b>	<p><u>FIM Scale</u>: <u>1</u>=Total Assistance (Subject = 0% +), <u>2</u>=Maximal Assistance (Subject = 25% +), <u>3</u>= Moderate Assistance (Subject = 50% +), <u>4</u>=Minimal Assistance (Subject = 75% +), <u>5</u>=Supervision, <u>6</u>=Modified Independence (Device), <u>7</u>= Complete Independence (Timely, Safely).</p>
<b>Medications: VA Dispensed and Non-VA Dispensed</b>	<p>Section Date Range: 1) prescriptions processed by a VA pharmacy in the last 15 months, and 2) all medications recorded in the VA medical record as “non-VA medications.” Pharmacy terms refer to VA pharmacy’s work on prescriptions. VA patients are advised to take their medications as instructed by their health care team. Data comes from all VA treatment facilities.</p> <p><u>Glossary of Pharmacy Terms</u>: <u>Active</u>=A prescription that can be filled at the local VA pharmacy. <u>Active: On Hold</u>= An active prescription that will not be filled until pharmacy resolves the issue. <u>Active: Susp</u> = An active prescription that is not scheduled to be filled yet. <u>Clinic Order</u> = A medication received during a visit to a VA clinic or emergency department. <u>Discontinued</u>=A prescription stopped by a VA provider. It is no longer available to be filled. <u>Expired</u>=A prescription which is too old to fill. This does not refer to the expiration date of the medication in the container. <u>Non-VA</u> = A medication that came from someplace other than a VA pharmacy. This may be a prescription from either the VA or other providers that was filled outside the VA. Or, it may be an over the counter (OTC), herbal, dietary supplement or sample medication. <u>Pending</u>=This prescription order has been sent to the Pharmacy for review and is not ready yet.</p>
<b>Immunizations: All on record at VA</b>	<p>This section includes Immunizations on record with VA for the patient. The data comes from all VA treatment facilities. A reaction to an immunization may also be reported in the Allergy section.</p>
